Dear Governor –

Official notice: In accordance with 18 USC §2382 I am required to notify you of ongoing treason against the United States.

Russia is an enemy of the United States. Russian military operatives are engaged in an ongoing attack against the United states, seeking to disrupt the most fundamental functions of the lawful government. Donald J. Trump is giving aid and comfort to the enemy by supporting this attack. He is knowingly and willfully amplifying its effectiveness by denying and concealing the attack, downplaying its significance, and interfering with efforts to defend against it.

An openly declared state of war is not an element of the crime of treason.
