Hi –

He refuses to rent to black tenants, then takes out a full-page ad calling for the death of 5 black children who were wrongly accused ... yet he says it's «uncivil» if we call him a racist.

He says that government agencies should serve him personally (rather than upholding the constitution, rather than serving the public interest) ... yet he says it's «uncivil» if we call him a fascist.

He says nobody should have to bake a wedding cake for a gay couple ... yet he says it's «uncivil» if somebody doesn't want to serve dinner to people who think it's OK to keep babies in cages.

He molests women and girls ... yet he thinks it's «uncivil» if we call him a pig.

He attacks a Gold Star mother ... yet he thinks it's «uncivil» if we call him a bully.

He makes common cause with “very fine people” who murder people in the streets and march with torches and swastikas ... yet he thinks it's «uncivil» if we call him a nazi.

He lies about the FBI, lies about the economy, lies about Russia, lies about North Korea, lies about Obama's birth certificate, and then lies about lying about it, etc. etc. etc. ... yet he thinks it's «uncivil» if we call him a liar.

He leads chants of “Lock Her Up, Lock Her Up” ... yet he thinks it's «uncivil» if we call him a demagogue.

He refers to Africa and the Caribbean as a bunch of shithole countries ... yet he thinks it's «uncivil» if we call him a bigot.

He tells everybody what a tough guy he is ... yet he throws a tantrum whenever somebody says something «uncivil» about him.

Yours truly,
