Hi –

The #fakepresident just said Russia «will be pushing very hard for the Democrats» in the upcoming election. For the **democrats**. I kid you not; he actually said that (twitter, 8:50 AM – 24 Jul 2018). It brings new meaning to the term “große Lüge”

Sometimes it’s possible to go so far east that you wind up west of where you started. In that spirit, here’s a followup question for him, and for you:

So, what are you doing to protect our electoral system from these depredations?

We need strong action now! Protect our elections! This is clearly now a bipartisan issue, as it should have been all along.

Yours truly,

John L Denker
