Hi –

Enough already!

- Enough with the tsunami of lies!
- Enough with the corruption!
- Enough with the cruelty!
- Enough with the attack on the very notion of justice!
- Enough with the attack on the very notion of truth!

It is not enough to write books and give speeches. You need to take strong action, using the authority entrusted to you, to put a stop to these outrages.

Don't tell me you're afraid to poke the bear. We know from Stormy Daniels that his behavior improves when he's spanked.

Yours truly,

John L Denker
