Hi -

★ PENCE ★
★ for President ★
★ 2018 ★

He's a sanctimonious misogynistic craven lying bigot, but at least his primary motivation is probably not out-and-out treason.

Sure, he is a co-conspirator in the ongoing outrages, but mostly in the role of toady, not mastermind. Policy-wise he might be just as bad in the short term, but he probably won't do as much long-term damage to basic institutions.

He has a track record. Indiana survived his governorship. He exhibited "some" sense of remorse when he screwed up. He caused a certain amount of chaos, but it seemed mostly inadvertent, not something he reveled in.

Pence for President 2018 seems like a chance worth taking.

Yours truly,

John L Denker
