Hi –

The pussygrabber-in-chief is furious because Mexico won't pay for his wall. He thinks he can get money from Congress if he takes a bunch of children hostage. "I'm tough on immigration! Look how tough I am! I can throw babies in jail!"

This has got to stop. Now.

Thinking about it is not enough. Talking about it is not enough. When are you going to do something to stop these outrages?

Don't tell me you're afraid to poke the bear. Grow a spine already. We know from Stormy Daniels that his behavior improves when he's spanked.

Yours truly,

John L Denker
