Hi –

Enough already!

- Enough with the tsunami of lies!
- Enough with the corruption!
- Enough with the cruelty!
- Enough with the attack on the very notion of justice!
- Enough with the attack on the very notion of truth!

You are a co-conspirator. You need to stop pretending this is OK. You need to take strong action, using the authority entrusted to you, to put a stop to these outrages.

Don't tell me you're afraid to poke the bear. We know from Stormy Daniels that his behavior improves when he's spanked.

Yours truly,

A handwritten signature in black ink that reads "John L. Denker". The signature is written in a cursive, flowing style with a large initial "J" and "D".
