Hi –

Stop the lying!

This is not just an assault on democracy.

This is not just an assault on justice.

This is an assault on the very notion of objective truth.

You have a duty to put a stop to this. We're tired of the talk-talk-talk. When are you going to do something?

Lying about the size of the inauguration crowd is not grounds for impeachment. However, ordering people arrested on the basis of lies is. Lying to create a pretext for interfering with the FBI is.

In the Kremlin they are celebrating and laughing uproariously. When are you going to do something?

Yours truly,
