Hi –

Two questions:

- As for taking children hostage, in an effort to obtain selfish political advantage – Do you think that is grounds for impeachment?
- As for snatching children from their families and stuffing them into internment camps, i.e. makeshift camps in the Texas desert, in June – Do you think that is grounds for impeachment?

These seem like simple questions.

The #fakepresident took the DREAMers hostage in 2017, and you did nothing to oppose him. That was bad enough, but now things have escalated rather dramatically.

Don't tell me you are afraid to "poke the bear?" Grow a spine already. We know from Stormy Daniels that his behavior improves when he gets spanked.

Yours truly,
